*Native South*

ISSN Print 1943-2569 Electronic 2152-4025
Published by the University of Nebraska Press

*Native South* challenges scholars of southern history to expand their conception of the field to include more than the black and white post-colonial south that colors much of the historical literature of the region. The journal focuses on the investigation of Southeastern Indian history with the goals of encouraging further study and exposing the influences of Indian people on the wider South. It does not limit itself to the study of the geographic area that was once encompassed by the Confederacy, but expands its view to the areas occupied by the pre-contact and the post-contact descendants of the original inhabitants of the South, wherever they may be.
